Hawker Homefront

These past couple of months have certainly been busy in the Hawker household, with winter activities and 2 busy and active young children. Callum just completed his first session of the Norquay mini mites and seems to have mastered the whole hill (at the ripe age of 3!) . Lauren has enjoyed another season skiing with the Bow Valley Quickies and all 4 of us can finally ski together! For most Bow Valley skiing families, that's a real milestone!

The children and Kathryn are off to Australia for 1 month to visit family and friends and of course, soak up a little of the Aussie sunshine. It has been 3 years since Kathryn has visited her homeland and I know that she is very excited about the trip. What am I going to do without them....!
