

The Relay For Life

As you know, cancer effects each of us in one way or another. Everyone I come across knows a relative, friend or colleague who has lost their life to cancer or suffering from the disease themselves.

“The Relay for Life” is the Canadian Cancer Society’s newest fundraising initiative. This emotionally charged event celebrates cancer survivorship and honours the lives of loved ones lost to the disease. Teams of 10 people will take turns walking and running overnight for 12 hours in support of the fight against cancer. In a moving ceremony after sunset, luminaries placed around the track are lit to honour survivors and in memory of loved ones who have lost their battle with cancer. They remain lit all night providing light for participants as they walk.

At Royal LePage Rocky Mountain Realty we believe that it is necessary to do our part in supporting such a great cause. We have coordinated a team of 10 (agents, administrators and spouses) to participate in the Relay for Life on Friday, June 4th in Centennial Park.

We encourage you to donate luminaries in honour of your loved ones so that we can, one day, win the fight against cancer . Luminaries are \$5 each or you can simply make a pledge. Please call or email us today if you can you can donate to this great cause.
